"Learning outside the classroom"

Welcome to Discover@Keppleway

We are a Christian based charity with the aim of creating adventures and enriching experiences for everyone. We have a magnificent residential Centre set in its own grounds in Broughton - In - Furness in the Lake District National Park. This beautiful and inspiring region is at the entrance to the Duddon Valley, one of Cumbria's best kept secrets.

The Centre is a former mansion offering great full board accommodation. It is fully accessible with on and off-site outdoor activities led by our enthusiastic and qualified instructors. There is plenty of space for everyone to spread out with two lounges, two games rooms and 16 bedrooms of different sizes. Whatever the age level or ability, we encourage everyone to try everything, have fun and enhance their lives by pushing back personal boundaries. At the end of a busy day you can look forward to wonderful home cooked food and then either relax in warm comfortable surroundings, or enjoy some evening activities led by our instructors.

'The beauty of Keppleway's philosophy is the way it raises person's self esteem, it emphasises what you can do, not what you can't.'

- A Teacher from Surrey

Learning Outside the Classroom

Every young person, should have the opportunity to learn beyond the classroom, whether striving for the summit on The Old Man of Coniston, discovering the history and the ingenuity of the people who worked the quarries or in the depths of the tunnels where copper was mined. These are just some of the experiences that link into the National Curriculum through History, Geography, Science, PE and English, which widely enhance their stay at Keppleway. Not only will young people benefit academically, they will expand their horizons, develop their communication and social skills and build self - confidence by working as part of a team.

To create this unforgettable experience let our team guide you in designing a programme that allows your young people to enjoy learning in the great outdoors.

Safety First

- Keppleway complies with all health and safety requirements and has £5 million Public Liability Indemnity Insurance
- All Keppleway staff responsible for regulated activities are DBS cleared
- Activity staff have nationally recognised instructor qualifications and all activities undergo a thorough risk assessment, which are available on request
- All activity staff are first aid qualified, as are all 'on call' duty staff
- A member of Keppleway staff is on call 24hrs a day
- We take the well being of our guests extremely seriously and all visitors to the site are monitored and supervised

Activities For All

Expertly delivered, our exhilarating and challenging activities are what make Keppleway a phenomenal experience whatever your age or ability.
