

Keppleway Prayer Diary

April - June 2024

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

John 3:16

Monday...

Keppleway Facilities

The outside shelter is nearing completion and will be ready after Easter. It will be a fantastic resource for visiting groups to allow them to get more out of the outside space at Keppleway.

We continue to work on the main building to improve guest comfort and are looking forward to the next stage of our window refurbishment programme. As soon as the funding becomes available we will proceed with the redevelopment of the dining room and the relocation of the reception.

Help us to recognise the guidance that **He** gives to Keppleway and our contractors. Pray that with **His** support we can achieve much more to improve the residential experience for our guests and maintain and develop The Keppleway Centre for the future.

Tuesday...

Relationships

As we move further into the year we are blessed to welcome new guests to the wider Keppleway family who join us to experience the wonders of His world, develop their skills and gain new experiences.

As ever it's always a pleasure to welcome groups back to Keppleway and we are making an extra effort at this time to welcome groups who may not have visited Keppleway for a while some of whom since before the pandemic.

Lord, it is your will that we are blessed with so many groups that want to return to Keppleway. Help us to maintain and build on these relationships for the future.

Pray with us that we may welcome the return of groups who have not visited in a while and that we may continue to welcome new members to the Keppleway family

Wednesday...

Funding & Finance

We continue to explore funding opportunities both to develop the Centre and to expand our Participation Inclusion Fund which supports those that may not be able to come to Keppleway normally. This fund has been a huge success over the last few years enabling lots of guests to enjoy being outdoors in our part of The Lake District and to take part in some great activities and we hope to maintain and grow it into the future.

Lord, give thanks to those whose generosity allows Keppleway to expose our guests to the wonders of **Your** world. Join us in Prayer and ask that **He** supports the Participation Inclusion Fund in enabling those who need it the most.

Thursday...

Our Guests

We sometimes forget that a guest can gain just as much, if not more, from the residential part of their stay at Keppleway. It may be the first time they have shared a room, spent a night away from home or even eaten a meal with others at a table. Trips away from their normal environment can and do play a big part in people's lives and this applies to both young and old.

As You Pray, bring before **God** not just those who will be visiting Keppleway in the future but those who have been part of the long history of the building in its previous guises. Give thanks for **His** love in changing for the better all lives affected by Keppleway.

Friday...

The Community

We are currently exploring new ways of integrating into the wider community with the provision of activities for the older generation and other specifically targeted packages. We recently welcomed a new vicar to Broughton and she is keen to develop stronger ties with Keppleway and take an active part in the life of the Centre.

Please pray that He continues to watch over all of us in our own communities and also in the wider world that we are all part of. Give us His strength and guidance so that we may work to further His plan for Keppleway and all those that it touches.

Saturday...

The Future

How we operate and what we offer is important to us at Keppleway as this affects not just our staff but also our guests. As we move forward as an inclusive residential outdoor activity centre we look to improve how and what we deliver to our future guests. We look to use new technology and working practices to achieve this.

Please **pray** that the future remains bright for Keppleway and that the changes we make are positive and beneficial to our guests and staff. Ask **Him** to guide us so that we may focus our thoughts and ideas into plans and successful outcomes.

Sunday...

The Keppleway Team

A number of key staff have moved onto new adventures away from Keppleway and whilst they have left the Centre they remain part of our family. We give thanks for their input into the work of Keppleway and wish them well for the future.

Please **Pray** for each member of staff and their families, that they remain safe as they work with our guests and especially ask **Him** to watch over those who support Keppleway in other ways and Give Thanks for their contribution to the work of the Keppleway Trust. Ask **Him** to guide us as we appoint new staff to key roles and support those that are successful and also those that are not quite right for Keppleway at this time
