

Kepplewray Prayer Diary April- June 2026

Monday... Kepplewray Facilities

- Please pray for a resolution to our heating and hot water system which have been playing up during the winter. We recently had a new flue fan fitted which we are hoping will fix the issues but please pray for ongoing solutions for this aspect of the building.
- Please continue to pray that the work required to fix leaky roof and area of persistent damp on the second floor can be properly sorted before winter 2026-27

Tuesday... Relationships

- Pray for positive working relationships between staff members as we prepare to welcome our guests as the season gets underway. Pray for patience, kindness and a collaborative servant hearted approach to be paramount in our working relationships.

Wednesday... Funding & Finance

- Give thanks for the generosity of our trustees, supporters and external funders who have given generous financial support in the last 12 months which has helped us to be financially viable.
- Pray that God would continue to give us favour in the eyes of funders who will be generous towards us as we seek ways to improve both our facilities and our services.
- Pray for increase in our ability to attract new business to boost our earned income and create a sustainable year-round business model.

Thursday... Our Guests

- Pray that all our guests will be kept totally safe as they enjoy the adventure activities and that they would gain much in the way of personal growth and relationship building skills.
- Pray for the positive impact of the explicitly Christian content which is being shared with our school residential groups each morning just before the start of the activity sessions.
- Pray too that as our guests spend time in Creation they will be led to acknowledge and understand the reality of God as Creator and Father.

Friday... The Wider Community

- Continue to pray for Vic Sekasi the local vicar as she comes into our team meetings once a month to share a Christian message. Pray that she will be a real blessing to the staff and speak words which lead people to Jesus.
- Continue praying for Reece who is on an internship with Vic and lives in the centre that he will be blessed as he explores his calling to ministry and be a blessing to the Keppleway staff as well as to the wider community.

Saturday... The Future

Please pray that the plans and purposes which God has for Keppleway would be brought to fruition and that the management team and trustees will make changes which are positive and beneficial for the long-term sustainability of the Trust.

Please pray that we would catch His vision and that he would guide us so that we may focus our thoughts and ideas into effective plans and successful outcomes.

Sunday... The Keppleway Team

- Pray for positive solutions to our attempts to recruit a seasonal cook to cover our busy season between April and the end of July
- Pray for each member of staff and their families, that they remain safe as they work with our guests and especially ask Him to watch over those who support Keppleway in other ways and Give Thanks for their contribution to the work of the Keppleway Trust.
- Pray for the Trustees as they keep a watchful eye on the Trust that they will know Gods blessing and wisdom in their decision making in carrying out their roles.
