

## Thursday

### Customers

#### Update:

Primary Schools and NCS (National Citizen Service) groups make up the bulk of our bookings. It would be great to be able to welcome a greater variety of groups to the centre.

Many of the primary schools that come to us have been coming year after year because they love the centre and the way things are done.

We welcome back our faithful Venture Pathfinder group at the end of July for another great week of activities and pushing into God.

#### Prayer:

- Pray for good ideas and marketing to attract more groups to us
- Give thanks for faithful primary school guests
- Pray for the young people on the Pathfinder camp that they would have a real and impacting experience of Jesus in their lives during the week.

## Friday

### The Community

#### Update:

We continue to operate our Community Transport Scheme with our minibuses which enables many community groups to go about their business. One bus has recently been damaged whilst on hire and requires repairing.

Our holiday clubs continue to grow in popularity, encouraging children from the local community into the outdoors. Especially during the long summer holiday it is important that children experience the benefits of outdoor activities with their peers.

#### Prayer:

- Pray for a quick repair to the damaged bus
- Pray for good relations as we serve the community with transport
- Give thanks for relationships being built with the local community through the holiday club and more children being able to access it.

## Saturday

### The Future

#### Update:

Keppleway is a massive resource that can be used for the blessing of others. After consultation from staff on the ground through to the Keppleway Management Group, a 5 year Strategic Plan has been developed to take the Centre forward.

This plan will drive what we do at Keppleway over the next 5 years and we ask that for both your and His support in achieving our goals

#### Prayer:

- Pray for excitement and boldness as we look to take Keppleway forward and implement the Strategic Plan.
- Pray for God's blessing and wisdom as we do that and that he would be the centre of what we are trying to achieve.

REALISING EVERYONE'S  
POTENTIAL

## Sunday

### Keppleway Team

#### Update:

TJ our former Seasonal Instructor has secured a long pursued apprenticeship at BAE Systems.

Jack joined the Activity Team in February as a Trainee Instructor and has fitted in well to the Keppleway team. He has proved a huge benefit to both the activity team and the residential team.

In May, Sheena joined the residential team expanding the support staff.

#### Prayer:

- Pray for TJ and Jack as they start their new careers.
- Pray for continued good relations between all departments and a sense of common purpose.

## Monday

### Keppleway Facilities

#### Update:

We have recently been awarded the Learning Outside the Classroom badge which recognises outdoor centres delivering quality residential outdoor learning experiences for young people.

The grounds at this time of year are in constant need of attention to keep them looking good. A volunteer gardener would be great!

There are constant challenges in keeping a building of this size and age operational which needs wisdom and financial input to resolve.

#### Prayer:

- Give thanks for the LOTC accreditation
- Pray for wisdom and vision as well as finances for renovation and upkeep of the building and facilities.
- Pray for someone to help us in the grounds as a voluntary gardener.

## Tuesday

### Relationships

#### Update:

New relationships are being formed with guests who have joined us for the first time and the prospect of them returning is looking promising.

We are casting the Keppleway net further afield with the hope of attracting further new guests to the Centre and also building new relationships with governing bodies allowing us to increase the activities we offer.

As ever we continue to value the relationships between the team at Keppleway and the wider family of supporters who help so much in what we achieve.

#### Prayer:

- Pray that we establish these new relationships and maintain our existing ones so that as many people as possible experience the benefits of outdoor activities and the joy of staying at Keppleway.

## Wednesday

### Funding and Finance

#### Update:

We are currently raising money to put a fully accessible zip wire into the grounds to mark our 20<sup>th</sup> year of operations.

Kyra our volunteer fundraiser continues to send out funding applications and has recently signed Keppleway up to some giving schemes. We pray that this proves to be a beneficial source of income.

Other than the zip wire, our funding focus is to help towards the refurbishment of more bathrooms at the Keppleway Centre, the replacement of our 4x4 vehicle and replacement / new activities and equipment.

#### Prayer:

- Pray for continued funding for our zip wire project
- Pray that Kyra continues to generate new funding opportunities.
