Welcome To Keppleway

The Keppleway Centre is situated in the Lake District National Park and within the 11th century market town of Broughton in Furness. This phenomenally beautiful and inspiring region is at the entrance to the Duddon Valley, one of Cumbria's best-kept secrets, and plays host to some nationally recognised sporting activities such as The Duddon Valley Fell Race and The Fred Whitton Challenge cycle race.

For those requiring a base from which to explore the Lake District which has caring friendly staff and fabulous home cooked food, then Keppleway is the ideal place. Whether you are a small group wanting a short break, a large group planning an adventure holiday (Keppleway can accommodate up to 76 people in 16 bedrooms with single and/or bunk beds) or a disability group looking for fun and activities, then our Centre will cater for exactly the kind of visit you have in mind.

If you are looking for exciting challenges led by a team of friendly, qualified instructors, where everyone has the chance to participate fully alongside class mates, colleagues, friends or family, and build positive relationships in a relaxed, safe environment, then Keppleway is the ideal place for you.
